Manutenzione - Maintenance

Garanzia a Vita

La garanzia copre a vita tutti i difetti di fabbrica.

Rimane valida effettuando la normale manutenzione del filtro: sufficiente sostituire la cartuccia annualmente secondo quanto previsto dal manuale e registrarne l'acquisto.

Lifetime Warranty

The warranty covers all manufacturing defects for life.

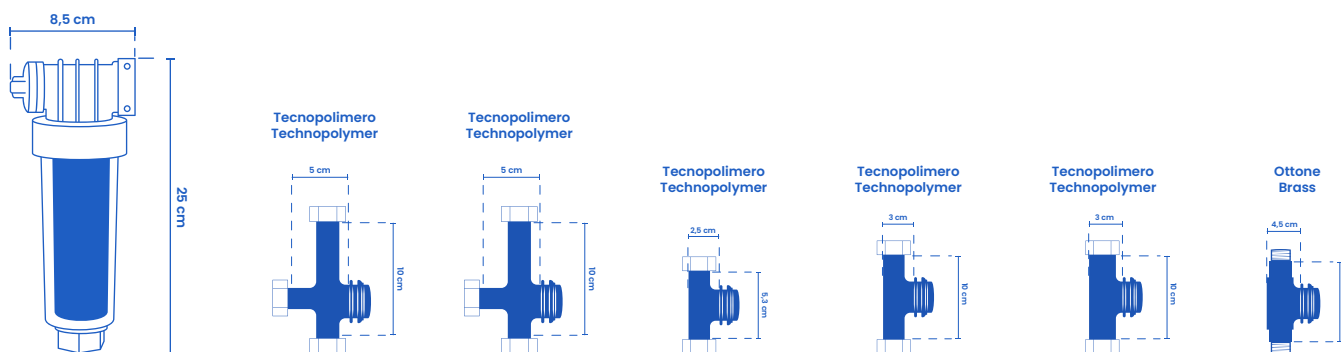

It remains valid provided regular maintenance of the equipment is carried out: simply replace cartridges and consumables annually as specified in the manual and register the purchase of the consumable.
